**SENTENCE:** Supervised probation for two (2) years with the following special conditions: 1) the defendant shall participate in and successfully complete an Alcohol Safety Action program or other alcohol treatment program as deemed appropriate by the probation officer; 2) commencing December 20, 2013, and continuing for One Year, the defendant may not operate a motor vehicle anywhere in the United States except a) to and from work, b) during the course of work if required as an incident of employment, c) to and from court, the probation office and the Alcohol Safety Action Program, d) to and from medical appointments with a schedule approved in advance by probation, and to and from school with a schedule approved in advance by probation; and 3) the defendant shall pay a \$250.00 fine, \$10.00 special assessment fee, and \$25.00 processing fee.

**MODIFICATION OF CONDITIONS:** On July 16, 2014, the conditions of probation were modified to give the defendant more time to pay her financial obligations to the Court. The modification read as follows, "the defendant shall pay the \$250.00 fine, \$10.00 special assessment fee, and \$25.00 processing fee by October 20, 2014." These monies were satisfied on October 24, 2014.

**NO ACTION REPORT:** On September 22, 2014, a No Action Report was submitted to the Court after the defendant tested positive for a low level of alcohol (.012 BAC) while attending the Alcohol Safety Action Program. Your Honor signed said report on September 24, 2014.

**ADJUSTMENT TO SUPERVISION:** On February 28, 2014, the defendant's probation was transferred to the U.S. Probation Office for the District of Maryland. The defendant resides with her mother in Poolesville, Maryland, and she is gainfully employed as a bartender at H Street Country Club in the District of Columbia. With regard to the special conditions, the defendant completed the Alcohol Safety Action Program on June 25, 2014. She also received an evaluation for outpatient treatment at the Ethos Foundation on August 12, 2014. Said evaluation revealed that no treatment was necessary at that time. Due to her recent positive drug test for opiates, the defendant has a new assessment scheduled at the Family Health Center on March 17, 2015. The financial obligations to the Court were satisfied on September 24, 2014. It should be noted that Ms. Potts is currently seven months pregnant.

**VIOLATIONS:** The following violations are submitted for the Court's consideration:

**STANDARD CONDITION #7: "THE DEFENDANT SHALL REFRAIN FROM EXCESSIVE USE OF ALCOHOL AND SHALL NOT PURCHASE, POSSESS, USE, DISTRIBUTE, OR ADMINISTER ANY NARCOTIC OR OTHER CONTROLLED SUBSTANCE OR ANY PARAPHERNALIA RELATED TO SUCH SUBSTANCES, EXCEPT AS PRESCRIBED BY A PHYSICIAN."**

Officer Whisman reports that the defendant initially denied the use of any illegal drugs. However, on March 4, 2015, she admitted to using Percocet belonging to a friend. Officer Whisman further discovered that the defendant had been involved in the methadone maintenance program through Montgomery Recovery Services since October 2014.
